Together We Can Achieve Excellence

Covid Update- 25/9/2020

Dear Parents/Carers,

This week we have tried to enable all pupils to arrive from 8.45. This is working well for Key Stage 2 but is proving more difficult for Key Stage 1. It is challenging for the staff on duty to manage both the safety at the gate and the well-being of pupils waiting to enter school from the back playground.

Therefore, I need to reintroduce a staggered arrival for key stage one pupils at the back gate:

- Year 2: arrive 8.45
- Year 1: arrive 8.50
- Reception: arrive 8.55

For parents with pupils in more than one year group, please bring your children at the earlier time.

Please may I respectfully remind all parents to adhere to social distancing and to wear face masks for the school run. In addition, please park at the Belper to reduce congestion around school and support pupils' safety.

I apologise for any inconvenience this causes, we need to play our part and make sure our school stays open - as the experts have informed us "the virus has started to spread again in an exponential way. Infections are up, hospital admissions are climbing". Thank you for your continued support during this very difficult time.

Kind Regards,

Sue Ward
Headteacher
