

Make your own Elastic Band Sketchbook

accessart.org.uk/elastic-band-sketchbook/

Benefits:

- Accessible – they are made using scraps of paper from around home/school.
- Easy to personalise by choosing paper, and therefore helps nurture a sense of ownership.
- Rough and ready – they stop sketchbooks becoming too precious, and so create an ideal platform for exploration and creative risk taking.

You Will Need:

- A selection of old paper. Use recycled paper including old envelopes etc. Mix blank paper with patterned/marked.
- Elastic band
- Cardboard

1. Cut and Tear. Cut sheets of paper twice the size of the finished sketchbook.

2. Make the Cover. Cut a piece of cardboard twice the size of the finished sketchbook and fold it in half.

3. Fold the Drawings. Fold the drawings so that they fit in the sketchbook.
