

PUPIL PHOTOGRAPH/VIDEO CONSENT FORM

At Newton Burgoland Primary School we take the issue of child safety, including the use of images of pupils, very seriously. Images of pupils in school publications and on the school website can be motivating for the pupils involved, and gives parents an insight into their learning and our curriculum. In line with the General Data Protection Regulations (GDPR) and the Data Protection Act 2018 we ask that parents give consent to the school taking and using photographs and images of their children.

Please note that: -

- **We will never include the full name of the pupil alongside an image (except where learning information is shared for remote learning purposes or the recording of progress and development, securely via tapestry or teams)***
- **Images will only be used for educational and school promotion purposes**

Please complete, the following, sign and return this form as soon as possible to the office.
