Snow & Emergency Closure

The procedure for informing parents of our school closing due to heavy snow or in case of emergency closure

is as follows: -

- We will send you a text message if at all possible
- Details will be passed to the local radio station, Radio Leicester - 104.9 FM
- They will broadcast the information from 7.30 am.
- You can also access the up to date information on line at Radio Leicester http://news.bbc.co.uk/local/leicester/hi/tv_and_radio/
- Parents/Guardians must not contact the radio station direct as this hinders the process.
