Policy for the use of Cameras and Mobile Phones in School & on Trips

To ensure the safety and welfare of the children in our care this policy outlines the protocol for the use of personal mobile phones and cameras in the school or on a school trip.

In School

- All adults in school must ensure that their mobile phones, personal cameras and recording devices are stored securely during working hours on school premises or when on trips. (This includes visitors, volunteers and students)
- Mobile phones must not be used in any teaching area in school or within toilet or changing areas
- Only school equipment should be used to record classroom activities. Photos should be put on the school system as soon as possible and not sent to or kept on personal devices
- All telephone contact with parents or guardians must be made on the school landline phone and a note kept
- Parents or guardians are permitted to take photographs of their own children during a school production or event. The school protocol requires that photos of other people's children are not published on social networking sites such as Facebook
 - Photographs of other people's children must NOT be distributed more widely
 - Photographs of other people's children must NOT be published online including Facebook

School Trips

- During school trips nominated staff have permitted access to their personal mobile phones which can be used for emergency or contact purposes
- Volunteer personal Mobile Phones are not to be used during the trip, unless by arrangement with the teacher in charge or in case of an emergency.
- Children are not allowed to use adult mobile phones during the trip (this includes the volunteers own child)
- Volunteers must not take photographs without the prior permission of the teacher in charge and only with the school camera or school ipad
