Together We Can Achieve Excellence

Promoting British Values

Our school promotes the values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

We challenge opinions or behaviours in our school that are contrary to these values.

Our children need to know and understand the following: -

- How people can influence decision-making through the democratic process.
- That living under the rule of law protects people.
- The right to choose other faiths and beliefs is protected in law.
- People with other faiths and beliefs should be accepted and tolerated.

Our school achieves this, in an age appropriate way, by teaching the following: -

- How democracy and the law works in Britain in contrast to some other forms of government.
- We enable the voice of pupils to be heard, e.g. through our School Council.
- We demonstrate how democracy works, e.g. voting for school council members, issues, mock elections.
- We teach about a range of faiths.
- We ensure that our extra-curricular activities and providers promote these values.
